

SEEd.Lab

Social Enterprise Education Lab

Social Enterprise Education Lab (SEEd.Lab) is a social enterprise innovation hub powered by:

What is Social Enterprise?

Business / Revenue Model @ Sustainability

Sustainable business / revenue model built in as part of the entity's model

Social / Environment Cause @ Vision & Mission

Clear social / environmental goal embedded within entity's objective and purpose.

Targeted Beneficiaries / Specific Impact Area

Aims specific areas / segment in accordance with the vision & mission.

Our mission

To empower changemakers, push boundaries, enrich lives and nurture possibilities together, for a better tomorrow.

For 12 to 18 months, we nurture young graduates and budding entrepreneurs to seed, incubate and commercialise ideas into social enterprises that addresses social pain points in Malaysia, leveraging the power of technology and innovation.

Join Social Enterprise Education Lab as a volunteer and play your part in building a better tomorrow. If you are a passionate marketer, a finance wizard, a justice geek, or simply an idea machine - we need you!
